## What is Relay For Life Melaka?

Relay For Life Melaka is now 8 hours short!  
Starting from 4pm until midnight, 12am.

Individuals, survivors and people from all walks of life will come together to take turns to walk the track continuously.

Games, performances & fundraising events will take place during Relay to raise funds in support of our cancer awareness cause.

## How will we use the money collected?

To **EDUCATE** our society about early detection and prevention of cancer.

To **CARE** for cancer patients by providing access screening facilities.

To **SUPPORT** cancer patients & their caregivers by organising events to empower them and increase their quality of life.

## What are the Objectives of Relay For Life?

### Celebrate.

Celebrate the lives of those who have battled cancer. The strength of survivors inspires others to continue the fight.

### Remember.

Remember loved ones lost to the disease. At Relay, people who have walked alongside those battling cancer can commiserate and find healing.

### Fight Back!

Fight Back. We Relay because we have been touched by cancer and desperately want to put an end to the disease. Make a commitment to save lives by taking up the fight.
